

**PRESENT AROUND THE IET
BANGALORE LOCAL NETWORK
2025**

[TITLE OF PROJECT]

[NAME]

[INSTITUTION]

Instructions (Remove before presenting)

Final Round Rules for PPT Usage

- Presentation should be **max 5 to 6 mins and a max of 12 slides**, Focus more on **solution and demo**.
- Use slides only to **set context**, not to repeat your demo.
- Keep text minimum, show diagrams/screenshots wherever possible.
- Stick to the given **fonts & colors** for consistency.
- Delete this page before your final submission.

Fonts

- Headings → *Calibri Bold*
- Body → *Calibri Regular*
- Use **sentence case** (avoid ALL CAPS).

Colors

Permitted Font and colors throughout PPT White, Black, Dark Purple and Dark Blue.

Avoid

- Overcrowding slides with text.
- Keep simple, no flashy/neon colors.
- Fancy fonts / gradient text.
- Long paragraphs – keep only bullets.

Problem Statement (Context)

- 2–3 lines max: What problem are you solving?
- Why it is important (impact, relevance).

Objective & Solution Idea

- Objective: 1 clear line (your project's goal).
- Solution: Short description (what your project does).
- Highlight: What makes it different/innovative.

Architecture / Workflow

- Flow diagram OR simple workflow showing how it works.
- Mention core modules.

Technologies used

- Languages, frameworks, APIs, tools, hardware/software etc.,

It's **demo** time!

Results, Achievements and Conclusion

- What you achieved in this final round.
- Metrics (accuracy, performance, efficiency, etc.) (If applicable)
- Any test feedback if applicable.
- Conclusion

• THANK YOU •
